| 25X1 25X1 | 7. Ficked up 75 copies of the testimony of from the Senete Internal Security Subcommittee staff for Internal distribution. |
| 25X1 | Advised Mr. Zeiller, in the office of Senator Thomas J. Dodd, of the application of who 25X had listed the Senator as a reference, and Senator 25X Dodd's office does not appear to have any strong interest in either of these cases although both individuals are friends of the Senator's. |
| 25X1 | Attempted to reach William Parden, Senate Armed Services Committee staff, to pass on to him figures on Agency personnel strength in Victoria. I found that Parden had accompanied Senator Euseali to Georgia and, therefore, was not in his office today. |
| 25X1 | 25X |
| 25X1 | ii best with Mr. McIntyre, in the office of Secutor Deward Mannedy, material he had given us regarding |
| 25X | advise of Th Division, I savined McIntyre that while |
| 25X1 25X1 | had been a source of ours, we had not been involved in the arrange- ments for his sarlier trip and were not involved in any arrangements which he proposed to make for a trip now. I gave McIntyre the name of the State Department security of floor in the Boston area, John E. MacOracken |
| 25X1 | who is sware of our relationships with with regard to the possibility 25X of obtaining a passport. I told McIntyre we could only suggest that he approach the State Department on this since it had granted passports in a limited number of cases on compassionate grounds. McIntyre was most appreciative of this information. |
